## Texas Thimble Trail AD Guidelines

Camera Ready Ad Requirements:

Digital requirements: For optimal clarity “PRESS READY” PDF files are preferred. Please allow .24” bleed. Do not place anything important within .35” of (live area) sides. Do not include crop or registration marks. Ads may also be created as TIFF or JPEG files @ 300dpi at final size.

**The program will be printed in black and white.**

**Please DO NOT send files from the Internet. The resolution is too low and your ad will be fuzzy.**

**Submission Requirements: Email all files complying with Digital Requirements listed above to [texasthimbletrail@gmail.com](mailto:texasthimbletrail@gmail.com). Please include ‘Texas Thimble Trail Ad Submission’ in the Subject Line.**

***Advertising deadline May 1, 2025***
